80% Level Up Challenge

1. When doing this event, please pay attention to the **'Rewards Structure'**. It is broken down into different levels that have different bean requirements, for example:

lv.1 - if 3,000 beans received, get 2,400 beans reward

lv.2 - if 8,000 beans received, get EXTRA 4,000 beans reward

2. You will only get the rewards for the 'beans received' that is required. For example, if you receive 5000 beans during your event, you will still only get 2400 beans reward. In order to get an additional 4000 beans reward, you will have to get 8000 beans.
3. Remember each level is on different days. The higher the level, the more options you have. For example if you're scheduled for Oct 5th and Level 2 is assigned for that day, you can choose to complete the requirements for Level 1 or 2. **You cannot do a Level higher than what is scheduled for that day.**

Take note of the days of the event and READ the RULES on each form.
